

ENVIRONMENTAL POLICY

Sandsfield Gravel Company Ltd is committed to achieving improved environmental performance in all its operations. The company will comply with all relevant environmental legislation and commits to:

- **Assessing the environmental effects of its operations.**
- **Continual improvement in management and environmental performance.**
- **Developing company staff to perform their duties to the highest standard.**
- **Review, develop and implement methods of work to prevent damage to the environment.**
- **Prevent pollution.**
- **Reduce the reliance on non-sustainable natural materials and increase recycling, re-use or recovery where possible.**
- **Identifying local suppliers, minimising transport requirements and supporting the local economy.**

Responsibility for the interpretation of this policy ultimately resides with the Managing Director as the principal sponsor. However all directors, managers and staff within the company have a role to play in ensuring compliance.

The Policy and the Company's environmental objectives and targets will be reviewed annually by the directors of the company. Results of the review will be made available to all staff and other interested parties.
